CANTI®

THE ITALIAN WINE STYLE

Red Vermouth

Aperitime

Note

The Vermouth of Turin is an aromatic wine, a heritage of Piedmontese tradition, recently recognized as a protected designation. Our Superior Vermouth of Turin by Canti exclusively utilizes DOC wine of Piedmontese origin and a selection of herbs, spices, flowers, barks, and roots meticulously chosen by our technical team after years of experimentation and tasting sessions aimed at achieving the best olfactory and gustatory balance among the various components used.
The recipe includes the use of at least 5 herbs and spices cultivated in the Piedmont region, among which Roman wormwood stands out. When blended with others sourced from around the world, it gives our product an unparalleled and inimitable harmony.
